KidzMondo Doha, Qatar's one-of-a-kind miniature edutainment city, in collaboration with Renad Academy (RA), a Qatar Foundation (QF) school, recently celebrated World Autism Awareness Month by hosting children from 11 different schools around Qatar to the fun-filled City.

Led by trained professionals at Kidzmondo, young visitors went on an exciting tour around the kid-sized City, where they had the chance to explore the establishments in a fun-filled and safe environment. Visitors were also engaged in a number of role-playing activities that have been specially designed to holistically educate them and enrich their experience by developing their cognitive, emotional, psychomotor and social abilities. Journeys at KidzMondo take children on a realistic, fully immersive experiences that stimulate all of their senses, while creating a familiar environment for their young minds to thrive in.

This event comes in-line with KidzMondo's vision to guide children of all abilities to reach their full potentials, and in the framework of KidzMondo's CSR program in Doha which is working towards the realization of the Qatar National Vision 2030, with its focus on human development as the main engine for social and economic progress.

Mr. Nabil R. Barakat, General Manager of KidzMondo Doha said, *"our goal here at KidzMondo is to drive the community in Qatar towards an integrated platform for children's holistic development and purposeful entertainment that follows an inclusive approach and values diversity and individual needs. We look forward to creating more of these activities and in engaging with children who exhibit huge potential and who we believe, with proper guidance and innovative methods of education and development, will grow up to be bright individuals in their community."*

*"When we see the bright future of a child right through their eyes, we become even more determined to continue innovating at KidzMondo Doha, not only to bring joy to children and families in Qatar, but equally contribute to the building of an advanced, knowledgeable and healthy society that can bring the nation's vision to fruition", Barakat added.*

Developed for and managed solely by children aged 2 to 14, KidzMondo Doha offers its young visitors a fun-filled and holistic learning experience that supports their physical and mental growth, while serving as an ideal platform for safely exploring adulthood and engaging with a self-sufficient replica of the real world, thereby boosting their self-esteem and confidence. Featuring its very own functioning economy, currency (Kidlars), and constitution, the kid-sized city, located in the Mall of Qatar, includes over 80 real-life simulation activities across diverse business environments, and allows children to dress up and role-play realistic tasks in a safe, interactive and educational environment.
